## The ForeSight20/20 Video

The purpose of this video is to inform people on the broader issues that make their participation in the 2004 Presidential Election of critical importance. **Each DVD and VHS contains 15-minute, 30-minute and extended-length versions of the interviews and comes with a discussion guide.**

More than forty random individual interviews were completed as well as twenty interviews with individuals who could speak with some authority on the major issues. All experts interviewed stressed the importance of informed voting in this election in particular.

## Stimulate Discussion In

## 2 Initial Questions:

*"Why is this election especially important to you?"*

and

*"What are the issues that are most important to you in this election?"*

*The answers are  
fascinating!*
