Title of the action

Call Senators Amy Klobuchar and Tina Smith To strongly urge them to support the United Nations Treaty on the Prohibition of Nuclear Weapons

Description of the action

U.S. Senator Amy Klobuchar Local #: 612-727-5220 D.C. toll-free #: 1-888-224-9043 U.S. Senator Tina Smith Local #: 651-221-1016 D.C. #: 202-224-5641 Purpose: To strongly urge our Senators to support the United Nations Treaty on the Prohibition of Nuclear Weapons

Background: The Treaty on the Prohibition of Nuclear Weapons is the first legally binding international agreement to comprehensively prohibit nuclear weapons, with the goal of leading towards their total elimination. The Women Against Military Madness (WAMM) End War Committee’s petition to ban nuclear weapons drive, conducted by Veterans for Peace (VFP) Chapter 27 and WAMM, has collected more than 22,000 signatures on paper petitions from all 851 incorporated cities and towns in the state of Minnesota. WAMM and VFP will be delivering stacks of these signed petitions to our Senators in the near future. In the past, our elected officials have told us that they do not hear from their constituents about banning nuclear weapons. Thus, your phone call is extremely important in helping to ensure that they will be open to our message when we meet with them. Information about the treaty can be found at womenagainstmilitarymadness.org/ban-all-nuclear-weapons-campaign or at ICANW.org. Call 612-827-5364 or 612-275-2720 for more information. Sponsored by the WAMM End War Committee and Veterans for Peace Chapter 27.
