Vets for Peace, Chapter 27

Title of the action

Urgent Action is Needed to Defeat the Destructive 2020 Military Budget in Congress!

Description of the action

President Trump has submitted a 2020 budget targeting $750 billion, a staggering 69% of the budget Congress votes on, to wage even more wars and profit the Military Industrial Complex. He pays for it by stealing funds from Social Security, Medicare, Medicaid and gutting public services like food stamps, clean air and water, education and much more. Join with the Peace Council to build massive opposition to defeat and reverse this cruel and devastating budget.
